Physiotherapy Consent Form

Dear Patient:

Physiotherapy involves many different types of physical evaluation and treatment. As with all forms of medical treatment, there are benefits and risks involved with physiotherapy. The physical response to treatment varies and cannot always be predicted as every individual is different. There is no guarantee that the treatment will help the condition you are seeking treatment for and there is a risk that treatment will cause some discomfort or aggravation of the existing condition.

During your physiotherapy visit, it is often necessary to expose and touch the area in need of treatment. At times, the practitioners may ask you to remove some items of clothing in order to facilitate treatment. If you do not feel comfortable with any part of the treatment, please tell us immediately. Every effort is made to preserve modesty and keep you comfortable. Please communicate to your therapist and the operations manager if you have any other concerns during the treatment.

By signing this, I hereby consent to the rendering of a physiotherapy evaluation and treatment as deemed appropriate by the treating therapist. I have the right to decline treatment at any time. The therapist will explain your physiotherapy diagnosis and discuss treatment recommendations with you. Physiotherapy, as with any type of medical care, is the most effective if you participate according to the treatment plan agreed upon with your therapist. If at any time you have questions regarding treatment and services provided, please do not hesitate to talk to your therapist.
